

SA Ladder Returns Policy

1. Introduction:

- 1.1. SA Ladder is committed to the principles envisaged in the Consumer Protection Act 68 of 2008 ('CPA') in all dealings with consumers.
- 1.2. SA Ladder acknowledges that consumers have certain specified rights in terms of the CPA as well as in terms of the common law in their dealings with SA Ladder. These rights include amongst other that consumers are entitled to return goods to a supplier in certain specific instances.
- 1.3. This policy will explain to you when you can return goods to us – explaining (i) the reasons for which you can return goods, (ii) the period within which you need to return it, and (iii) what your and our duties and rights are when you want to return goods.

2. 7 day Returns Policy:

- 2.1. Although the law does not give you an automatic right to return goods for any reason to SA Ladder, we will accommodate you within 7 days from delivery if you want to return the goods, provided that you meet the requirements of this policy and excluding the goods listed in clause 3.3.

3. Rules applying to the 7 day Returns Policy:

- 3.1. You can only return the goods within the 7 day returns period if you did not use the goods at all.

4. Defective goods:

- 4.1. All our goods carry a manufacturer's warranty of at least 6 months from date of sale or date of delivery (the later date of the two) against defects.
- 4.2. If the goods show a defect during the first 6 months after you purchased the goods or the goods were delivered to you (the later date of the two), we will gladly repair or replace the goods, or if you prefer a refund, we will refund you the price paid for the goods.
- 4.3. If the manufacturer's warranty on the particular goods that you bought extends beyond the 6 month period, we will repair or replace the goods at our choice (if the defect occurs after the first 6 months but still within the manufacturer's warranty period – if any).
- 4.4. If at any point you want us to repair goods outside of the manufacturer warranty period, we will always provide you with a quote first and obtain your authorization before we start any repairs.
- 4.5. If the defect in the goods was caused due to consumer abuse, fair wear and tear or negligence on your side, the warranty will not apply and you will not be able to return the goods to us. You therefore need to make sure that you use the goods appropriately.
- 4.6. You will also not be able to return the goods to us if you did not follow the instructions of use or guidelines in any other printed material that we provided to you in connection with the goods or if you used the goods for a purpose other than what it was intended to be used for.

5. Returns process for defective goods:

- 5.1. If you suspect that there is a defect present in the goods, you must return the goods to us as soon as reasonably possible after you detected the defect.
- 5.2. You must immediately stop any further use of the goods in order to limit the damages.
- 5.3. SA Ladder will then investigate the matter and run the necessary tests on the goods to determine the reason for the defect.
- 5.4. SA Ladder will communicate their findings to you within 14 days after they received the goods from you for testing.
